

## Important roadworks information

### A11 Fiveways and Thetford – vegetation and grass clearance

We're planning to clear vegetation and cut grass on the A11 between Fiveways and Thetford. A map of the works location can be found below. This work is part of a wider project starting in **February 2026** which will involve planting new grass and trees along the verge. Once complete, it will help encourage new vegetation growth and improve the surrounding environment.

We plan to start work on **Monday 8 December 2025**. Work will be carried out on **weeknights** only, between **8pm** and **6am**, weather permitting.

Closure Dates	Location
Monday 8 December to Friday 19 December 2025	Northbound on the A11 between Fiveways and Thetford
Monday 5 January to Friday 16 January 2026	Southbound on the A11 between Thetford and Fiveways

Works will take place over 2-4km sections, with short parts of the A11 closed under lane closures as we move between the routes. No diversion will be needed.

We appreciate your patience and cooperation while these works are carried out. Our teams will make every effort to complete the works efficiently and with minimal inconvenience.

### How to find out more

To find out more about road improvements we're carrying out across the East of England, please visit our website at: <https://nationalhighways.co.uk/our-roads/east/>

If you would like more information, please contact us on [0300 123 5000](tel:03001235000), or by email [atinfo@nationalhighways.co.uk](mailto:atinfo@nationalhighways.co.uk).

Yours faithfully  
Operations East, Scheme Delivery Team
